an exclusive seminar on

Women's Health

A CME accredited event

October 4th, 2025 (Sat) | Novotel on Stevens | 12.30 - 16.00hrs

We are pleased to invite you to our upcoming CME on Women's Health, designed to bring together healthcare professionals for an insightful exchange on current best practices, updates, and emerging trends in women's health. This year's CME will feature distinguished speakers sharing their wealth of knowledge and clinical experience on topics on HPV DNA testing, early breast cancer screening, and non-invasive prenatal testing. This CME is aimed at keeping O&Gs and GPs alike up to date on the latest screening & prevention strategies for women.

We look forward to your presence at this exciting event.
