

## OGSS-MJ Memorandum of Understanding

The Obstetrical & Gynaecological Society of Singapore (OGSS) signed a Memorandum of Understanding with Mead Johnson Nutritionals (MJ), a division Bristol-Myers Squibb (s) Pte Ltd on 21 February 2004.

The aim of the MOU is:

1. Promotion of early parenthood, safe motherhood, childbirth and best maternal care; and
2. Promotion of professional excellence as an integral part of the healthcare delivery system, through continuing medical education and science based nutrition updates to the medical and healthcare profession.

As part of the continuing medical education programs, Singapore Journal of Obstetrics and Gynaecology would be sponsored during the three-year term of this memorandum of understanding.
